COVID-19 has impacted normal business operations of the Group. While there have been series of measures for unlocking the economy since June'20, the restoration of normal business conditions is still dependent on the future state of the pandemic on the people and economy and any future directives from the Government. The Management has taken into account the possible impact of Covid-19 in preparation of the financial results, including assessment of recoverability of its assets based on the internal and external information upto the date of approval of the results. The Group will continue to closely monitor any material changes arising of future economic condition
